JavaScript (ES6),  
React.js, JSX,  
jQuery, HTML5,  
CSS3, Styled  
Components.

### BACK END:

Node.js, Post-  
greSQL, JWT,  
Express.js.

### TESTING:

Mocha.js, Chai.js,  
Jest, Enzyme.

### OTHER:

Git, GitHub,  
Heroku, Adobe  
Creative Suite.

## EXPERIENCE

### PHOTOGRAPHER ANDYTOWN COFFEE ROASTERS

JAN 2017 - PRESENT | SAN FRANCISCO

- Developed visual direction for photography, promoting brand consistency and quality throughout all marketing imagery.
- Worked with a small team, art directed and shot all marketing for social media and news outlets.
- Expanded brand recognition and boosted e-commerce with a cohesive design aesthetic.

### PHOTO STYLIST WILLIAMS-SONOMA INC.

APR 2017 - NOV 2019 | SAN FRANCISCO

- Created strong digital and print assets for advertising, web, and catalogs, expanding daily output quotas and goals for WSI umbrella companies.
- Collaborated with a cross-functional team of directors, merchants, stylists, producers, and photographers to plan and execute marketing and promotional campaigns.

## EDUCATION

### THINKFUL FULL STACK ENGINEERING IMMERSION | Dec 2019 - May 2020

CERTIFICATE OF COMPLETION

### POINT LOMA NAZARENE UNIVERSITY | 2007 - 2011

SCHOOL OF ART AND DESIGN, BACHELOR OF ARTS WITH HONORS

## PROJECTS

### FOLKUL GitHub | Live

A social media platform that allows users to share and collaborate thoughts with other users.

- Served as the project manager, tracking goals and deliverables for both front-end and back-end, with Kanban framework.
- Designed database ERD and collaborated on the UX/UI.

### FILTER GitHub | Live

A filtering application with capability to explore a list of responsibly sourced coffee beans based on user preference.

- Planned, designed and constructed all front-end and server-side code.

### FRENCH MOI GitHub | Live

A language-learning platform utilizing spaced repetition for users to memorize French words.

- Led front-end design implementation while also applying pair programming techniques to solve challenges on the back-end.
- Art directed digital assets and integrated them into the UX/UI.
